PASTOR'S COMMENTS

Pentecost is observed today. It is the fiftieth day after Passover. When Christ was crucified, it was the fifty year celebration, which is why so many Jews from many countries were present that year. In God's schedule from eternity, it was to be the time for the fulfillment of the Christ sacrifice, resurrection, and ascension. Pentecost served as the time for the outpouring of the Holy Spirit on the church, which was fulfillment of Jesus' promise to send the Comforter. This revealed the church organization, which Jesus established during His personal ministry, to the world. When the church is submissive to the Lord, this same Spirit provides us power to accomplish God's will in us.

Today also is Communion Service. This is the ordinance instituted in the church by Christ as a memorial to His death for the sin of mankind. With reverence and solemnity let us observe this special recognition of our Lord.

Next Sunday evening we begin the annually scheduled effort meeting that we pray will be Revival. Elder Ron Spurgeon is to assist us. Be PRAYED UP! Invite all you can, especially the lost. Plan on attending every service you can, not just when it's convenient. We can do a lot more than we think we can if we just plan and make the effort. That's why I call it an effort meeting. How much effort will you make? ;7
