What a wonderful night we had with the fellowship on Tuesday! Sister Martha Moore did a wonderful job reminding us of the love of our Lord, just how very mighty he is and the Joy we should have serving Him. Thank you to everyone that came and supported this fellowship. We have prepared 12 boxes to ship out to some special folks that need extra love and prayer at this time. Thanks to everyone that help to supply items, names, money for shipping or just praying for our gift boxes. Thank you Lord for the sweet fellowship I have with each of these women. And your sweet Spirit that visits with us.

An Atheist's View on Life

I will live my life according to these beliefs
God does not exist
It is just foolish to think
That there is a God with a cosmic plan
That an all-powerful God brings redemption and healing to the pain and suffering in the world
Is a comforting thought, however
It
Is only wishful thinking
People can do as they please without eternal consequences
The idea that
I am deserving of Hell
Because of sin
Is a lie meant to make me a slave to those in power
"The more you have, the happier you will be"
Our existence has no grand meaning or purpose
In a world with no God
There is freedom to be who I want to be
But with God
Everything is fine
It is ridiculous to think
I am lost and in need of saving

Pastor's Comments

Wednesday evening I heard Bro. Bobby Bradley preach at Grace MBC on Long Hollow Pike out of Gallatin. The Lord blessed him, and I enjoyed and endorse his message. The message can be heard on the church internet site, sermonaudio.com/joshuagregory, titled "Is There Not A Cause". Please give it a listen. He makes some great points about our country's present spiritual condition and our church's responsibility to stand up against evil.

Bro. Bradley and I talked at length Tuesday evening. He has a very interesting journey to becoming a Missionary Baptist. He had belonged to three different denominations but found things with which he disagreed in each one. He had told his wife, he would never join a Missionary Baptist church. After the Lord called him to preach and he started searching what the Lord wanting him doing about preaching, the only thing he could get satisfaction in was to leave the organization he was in, give up a very well-paying job with them, and join at Grace Missionary Baptist Church. He is beginning to understand the things he didn't like about our beliefs are the very things he now embraces as the truth. His first sermon, also on the above web site, was "Come Out From Among Them".

You may know Bro. Bobby as the director of the Do-Re-Mi Academy of Gospel Music. I have asked him to come preach for us at a future date yet to be determined.
