Susan and her parents, Betty and Ed, had dinner in a tipi while in Winthrop, Washington recently. This was an unusual setting for a gourmet meal that included bison roast and emmer ferro pilaf and fruit crisp for dessert.

## Pastor's comments

I really enjoyed the services last Sunday, especially the Midstate Quartet. They are already scheduled to be with us next year on the 5th Sunday in May. Linda and I got to hear them sing again Friday night in Lafayette. They sang 45 minutes and only sang three or four of the songs they sang here.

August 30th is our next 5th Sunday this year. The Murley Family from KY to be our special singers.

**Visiting Preacher** tonight at 6:00 is Brother Mike Turnipseed from Hartsville MBC.

**D-Day:** yesterday, June 6, was the 71st anniversary of the largest naval armada in history to attack a shoreline when Allied military forces invaded France to drive the German army back to Germany to win victory over the European Axis armies during World War II. President Roosevelt said the war was caused by "the anti-Christianity of Hitler and the Nazis."

Most wars America has been in involved powers that were anti-Christian in principle. Holding up godly precepts, our nation has overcome great difficulties by the help of the almighty to be victorious. Our present physical enemy is radical Islam, an enemy that can be defeated. The probability of vanquishing this foe grows less likely as God may withhold His power due to our growing worst enemy from within. This is the rising anti-Christianity sentiment of our own nation. Who can be against us if God be for us? Blessed is the nation whose God is the Lord. Cursed is the nation who turns from God. How well we do in the future depends on how faithful we are in the present.
