We all had a wonderful time on Monday with our secret sisters! Lisa and Terry's home in the country was lovely. The conversation and the food were off the chart. Thanks to all the ladies that make this event so special.

*Thanks, Cindy!*

**Faith Revival:** Effort meeting for revival begins next Sunday night here at Faith. Let us ramp up our praying, inviting and preparation for that week. I am amazed that I wrote the last part of the previous statement - "that week". A week is what most Missionary Baptist Churches expect a "revival" to be. Growing up, a week and a half to two weeks was the usual expectation. Further back than that four to six weeks was not uncommon. Through "progress", our people have succumbed to the pressures of the world on our lives to the point we have squeezed the Lord out and hemmed Him into a smaller and smaller compartment of our lives. The big revivals of the past came with big commitments from the Lord's churches. As the love for money has grown and moral values have decreased in our land, our spiritual strength has subsided.

Revival is a time of renewing our faith in and commitment to God so we can more efficiently serve Him. David wrote in Psalm 51:10 "...renew a right spirit within me. 12-13 "Restore unto me the joy of thy salvation, and uphold me with thy free spirit (liberty). Then will I teach transgressors thy ways, and sinners will be converted unto thee."

Let us all ask ourselves, what am I doing to prepare for REVIVAL?
