**Business Meeting tonight 6:00** Church Elections

The fellowship and singing the 5th Sunday was wonderful. Thanks to everyone who provided food for our meal. It was delicious. The Murley Family did an excellent job singing for us. Their spirituality and singing quality was so enjoyable. Our next 5th Sunday singing will be in November with the Macedonia Boys as featured singers.

It is a blessing to the church that we have so many of our sisters involved in activities promoting the Lord's cause. The Secret Sisters provides good fellowship and fun times together for those who

participate. They would welcome any female church member to join their activity every three months. The Ladies Fellowship will begin again the third Tuesday night of September (15th) and each month except the summer months. Several ladies from sister churches join our ladies in the fellowship hall for inspiration and support. This has proven to be a blessing and very helpful for those attending. In October several sisters of the church are going to Columbus, IN for a ladies fellowship held each year. The reports from this meeting have been encouraging for the strengthening of spiritual relationships among sister of many churches that attend, as well as, their personal growth in the Lord. I appreciate all of you sisters that participate in these and other activities that help bond cords of unity and build relationships to elevate your spiritual walk with the Lord. I would also encourage others to join in each time you can.

Most effort meetings are past. Revival is a time of renewal. Many of us have attended several other church meetings besides ours and been blessed for in our efforts. Now is a time to draw strength from our fellowship in these meetings and continue in spirit filled service to the Lord. Let us endure in faith and forge a mighty attack against Satan. Stand for right and fight to overcome the evil that faces us with determination to win victory after victory. Sometimes the issues we have to deal with goes against our human desires, but that's when we really have to show whose side we are on. As Joshua said, "as for me and my house, we will serve the Lord.

May the God of hope  
fill you with all *joy*  
and peace  
as you trust in him,  
so that you may overflow  
with hope by the power  
of the Holy Spirit.
