FAITH MEMBER SAVES THE DAY FOR A NEEDY PERSON

This information was given to me to be shared with our members. Recently a neighbor of the person who passed this on to us was seriously hurt in an automobile accident. It is believed that the hurt person was unemployed at the time. After spending time in the hospital upon release he went to the hospital pharmacy to get a prescription for antibiotics. The amount was \$80/. He told the pharmacist he could not afford to get it.

A man standing close by heard this and told him he needed the medicine and he paid for it. As these two introduced each other and were talking and the injured man said he lived in Murfreesboro, the man who had given the gift of money said he knew someone from Murfreesboro area. The injured man asked the name and knew him as his neighbor. The man said that was someone he knew and his neighbor belonged to Old Paths, a sister church to where he went. He went on to say that he went to Faith. We do not know who was the giver of this benevolent gift but the person reporting this incident felt that it spoke very well for this member and it also spoke well for Faith Missionary Baptist Church.
