**Faith Ladies at work – and it shows!** This comment is from Ruth Green regarding our helping efforts with Do Re Mi:

I told someone the other day I have never seen a harder working group of women than Faith Church has. I am really excited for your new pastor and hope you soar like an eagle. I believe He still has a great work for you all to do.

Ruth

A Pastor never gets to say "I'm off duty". Never gets to punch out at 5. Never gets to have a normal schedule. We don't know how many sleepless nights he spends on his knees praying for his church. How much opposition he faces. How many family opportunities he misses to meet with hurting people. We can't carry his burden for him but we can do what the Bible tells us to do: **PRAY FOR HIM, ENCOURAGE HIM AND SUPPORT HIM for he is our Pastor!**

*Thanks, Jean!*

Terry saw this on a vehicle – what a blessing to see others that love God!

*Thanks, Terry!*

***Don't say that God is silent while your Bible remains closed.***

# Birthdays & Anniversaries

*... you are fellow citizens with the saints and members of the household of God.” – Ephesians 2:19*

When was the last time you thought about the fact that as a child of God, you are an heir to the greatest inheritance in the universe?! Whatever we strive to achieve on earth can't even touch what is ours in Christ: the world and everything that is in it (1 Cor. 3:21-23), and life eternal with Christ as our reward. Lest we get discouraged in the waiting, consider this challenge by John Newton: *“Suppose a man was going to New York to take possession of a large estate, and his [carriage] should break down a mile before he got to the city, which obliged him to walk the rest of the way; what a fool we should think him, if we saw him ringing his hands, and blubbering out all the remaining mile, ‘My [carriage] is broken! My [carriage] is broken!’”* **In this world we will have trouble, but let's live in great hope today while we wait for *that Day!***

ACCEPT WHAT IS,  
LET GO OF WHAT WAS,  
AND HAVE FAITH IN WHAT WILL BE!

*Thanks, Jean!*
