In Florida, an atheist became incensed over the preparation of Easter and Passover holidays. He decided to contact his lawyer about the discrimination inflicted on atheists by the constant celebrations afforded to Christians and Jews with all their holidays while atheists had no holiday to celebrate.

The case was brought before a wise judge. After listening to the long passionate presentation by the lawyer, the Judge banged his gavel and declares "Case dismissed!"

The lawyer immediately stood and objected to the ruling and said; "Your honor, how can you possibly dismiss this case? The Christians have Christmas, Easter and many other observances. Jews have Passover, Yom Kippur and Hanukkah...Yet my client and all other atheists have no such holiday!"

The Judge leaned forward in his chair and simply said; "Obviously your client is too confused to know about, or to celebrate the atheists' holiday!"

The lawyer pompously said; "We're unaware of any such holiday for atheists. Just when might that holiday be, your honor?"

The Judge said; "Well it comes every year on exactly the same date---April 1st!" "The fool says in his heart, 'There is no God.'" Psalm 14:1, Psalm
