Those attending that have not been saved will seek salvation before it is too late.

For those attending that have never given a testimony or are unsure of their situation, that they will Pray until they feel they are right with the LORD.

After starting a new diet I altered my drive to work to avoid passing my favorite bakery. I accidentally drove

by the bakery this morning and as I approached, there in the window were a host of goodies. I felt this was no accident, so I prayed ... "Lord, it's up to you, if you want me to have any of those delicious goodies, create a parking place for me directly in front of the bakery." And sure enough, on the eighth time around the block, there it was! **God is so Good!"**

Going to church no more makes you a Christian than in a garage makes you a car.
