God with Us Fellowship

Will be this Tuesday, the 15th, at 6:30pm. I will be the speaker so please pray for me that I will deliver the words the Lord wants me to. The Lord has laid on my heart to speak on marriage and children (and I am sure grandchildren as well). No meetings are scheduled for November or December since the holidays are so busy. Call me if you need me. Cindy cell 615-642-2533

**What a Friend we have in Jesus,
all our sin's and grief's to bear!
What a privilege to carry
everything to God in prayer!**

Linda Maggart has a friend who is having surgery for a blockage on her neck.

Virginia was in the hospital last week. She is home now and doing better.

Ruth Kemp, Jean's mother, had a spell but was not serious and she is back home. She is the oldest living member of Faith!

Benny and Linda's Grand Niece just got married. Pray for this family as they start their life together.

It was good to see Virgil at Church Sunday. He still has a way to go.

Remember our Members who are taking care of family. We hope they know we are here if they need anything.

Cindy as she prepares her lesson for the God with us Fellowship

Michelle has a good friend who is having a hard time with her chemotherapy treatments.

Pastor's Comments

For many years I wrote about a page of comments, stories or devotion for a church bulletin. Sister Michelle graciously consented for me to do the same for our bulletin here.

First of all, I would like to thank the church family for such a warm welcome for Linda and myself. You have been extremely kind and loving toward us.

Yet, most of all, I want to thank God for placing me here as your pastor. The Holy Spirit has witnessed to us His pleasure these first few weeks together. I look for even greater demonstrations of His power in saving souls and blessings on His people.

I meant to mail a letter to all members this past week but due to computer / printer issues it did not happen. Look for it this week, hopefully. I encourage each family member who can to read it. There is information for everyone, but I especially want to reach those with whom I've not yet met.

We always want to follow the leadership of the Lord as we consider the efforts we put forth in His service. Some things to consider that have been mentioned to me are or I have thought are setting regular times for visiting preachers, community visitation, alternating non-family member visitation to those who can't attend church so they have fellowship with various church members, and reestablishing Wednesday evening services. As we move forward and grow in the Lord, many things can be done to enrich the church experience for all our members.

Let's pray for God's guidance.
