Brother Dillon preached last Sunday from 2<sup>nd</sup> Samuel 22:3  
The five senses. Grab Jesus and he will walk with you through everything. Hear what he is telling you and he will not steer you wrong. Talk to him anywhere, anytime, about anything. Don't let an opportunity to talk to someone about the Lord pass by. On the way to church, Brenda prayed that the Lord would be there. Her prayer was answered because the Lord was certainly with us. We had a wonderful Old Fashion Tear Down. Susan talked about having Down syndrome on earth but In Heaven she will not. One of the songs we sang was the days of the week song. When we had finished, Damian kept going and he knew every word. At one point, Dillon said, ask me about my salvation or faith, and he said that Damian said he could tell him. LISTENING?

We have a meeting right after church today. To discuss some ideas that Lisa and I have come up with and see if we can make it happen. # "You're Not Alone"

I searched for love when the night came and it closed in  
I was alone, but You found me where I was hiding  
And now I'll never ever be the same  
It was the sweetest voice that called my name,  
Saying you're not alone for I am here  
Let me wipe away your every fear  
my love, I've never left your side  
I have seen you through the darkest night  
and I'm the One who's loved you all your life  
All your life  
You cry yourself to sleep  
Cause the hurt is real and the pain cuts deep  
All hope seems lost with heartache your closest friend  
And everyone else long gone  
You've had to face the music on your own  
But there is a sweeter song that calls you home,  
Saying you're not alone for I am here  
Let me wipe away your every tear  
my love, I've never left your side  
I have seen you through the darkest night  
and I'm the One who's loved you all your life  
All your life  
Faithful and true forever  
My love will carry you  
You're not alone for I, I am here  
Let me wipe away your every fear  
my love, I've never left your side  
I have seen you through the darkest night  
  
Your darkest night  
  
And I'm the One who's loved you all your life  
  
All your life
