December conference

The conference has been changed from the 8th to the 15th. right after the 11:00 service.

Prayer is simply communicating with God—listening and talking to him.

Chad Page's grandmother, Netta Mae Thomas Emberton, passed away on Monday the 28th. Remember this family.

Last week Ian took a day off work to attend church with his family. Pray that he will get a shift transfer so he can attend church each week with his family.

Virgil had a procedure Wednesday for an enlarged prostate and to hopefully get rid of the catheter that he has worn since September. We should know in 2 to 4 weeks if this will work. He is not feeling as well today as the pain medicine is making him sick but hopefully he will feel better in a few days. There is nothing they can do for his breathing as it is what it is. Keep us in your prayers.

Linda and her Mom went down to be with her Sister last weekend. Continue to pray for her.

Linda's knee had been bothering her. A little better now but will check again later.

Jean had wrist surgery and is doing good.

Don got good results from some tests.

Pray that the members of our church that are not attending will reconnect with us.

Irene is having problems with her wrist.

A pastor's wife was preparing pancakes for her young Sons.

The boys began to argue over who would get the first pancake. Their Mother saw the opportunity for a moral lesson. If Jesus were sitting here, He would say, "Let my brother have the first pancake. I can wait." The oldest boy turned to his younger brother and said, "You be Jesus."

For those with older siblings, true?

Pastor's Comments

Sunday Without Church

I know a thousand things to do when Sunday
rolls around,
But most of them will interfere with
worship, I have found;
If I use the day for pleasure, I have
conscience in the lurch --
For Sunday isn't Sunday unless I go
to church.

A man may tinker with his car or,
take his shotgun out,
Or he may grab a rod and reel and try
to catch a trout:
A woman has her household task, like
washing socks and shirts--
But Sunday isn't Sunday to those
neglecting church.

We can follow inclination and just loaf
around all day,
We can eat and sleep and eat some more
but take no time to pray;
The habit of indifference will any soul
besmirch--
For Sunday isn't Sunday unless we
go to church.
