SHIRLEY MACLAINE,

The Sunday School teacher was describing that when Lot's wife looked back at Sodom she turned into a pillar of salt, when Bobby interrupted. "My mommy looked back once while she was driving," he announced, "and she turned into a telephone pole."

A father was reading Bible stories to his young son. He read, "The man named Lot was warned to take his wife and flee out of the city, but his wife looked back and was turned into a pillar of salt."

His son asked, "What happened to the flea?"
