# July 4<sup>th</sup> Independence Day

## Q&A

How many people signed the Declaration of Independence?

In what city was the Declaration of Independence signed?

What are the first seven words of the Declaration of Independence?

Whose signature is the largest on the Declaration of Independence?

Where did the word Patriotism come from?

## *God Bless America Lyrics* *by Irving Berlin*

God bless America,  
Land that I love,  
Stand beside her and guide her  
Thru the night with a light from above;

From the mountains, to the prairies,  
To the oceans white with foam,  
God bless America,  
My home, sweet home.  
God bless America,  
My home, sweet home.

A man feared his wife wasn't hearing as well as she used to and he thought she might need a hearing aid. Not quite sure how to approach her, he called the family Doctor to discuss the problem. The Doctor told him there is a simple informal test the husband could perform to give the Doctor a better idea about her hearing loss. Here's what you do," said the Doctor, "stand about 40 feet away from her, and in a normal conversational speaking tone see if she hears you. If not, go to 30 feet, then 20 feet, and so on until you get a response." That evening, the wife is in the kitchen cooking dinner, and he was in the den. He says to himself, "I'm about 40 feet away, let's see what happens." Then in a normal tone he asks, 'Honey, what's for dinner?' No response. So the husband moves to closer to the kitchen, about 30 feet from his wife and repeats, "Honey, what's for dinner?" Still no response. Next he moves into the dining room where he is about 20 feet from his wife and asks, Honey, what's for dinner?" Again he gets no response so, He walks up to the kitchen door, about 10 feet away. "Honey, what's for dinner?" Again there is no response. So he walks right up behind her. "Honey, what's for dinner?" Wife: for the FIFTH time I said, CHICKEN!"
