WISHING

I wish that I could wish a song
For the whole world to sing:
A song of joy, a song of love,
And Jesus Christ, our King.

I'd like to sing of saving grace,
In tones so sweet and clear,
That everyone would want to pray,
And know the Lord would hear.

I'd like the song to show the way,
To people who are lost,
And point the way to God above;
His Son has paid the cost.

I wonder what the angels sing,
To folks who've found the way,
With Heavenly voices lifted high
To praise Him every day.

Macedonian Call

In the June/July news letter, there was a comment from Brother Bryson regarding Brother Chris and Brother Wilson, two of our Missionaries in Africa. With times being real hard economically in Nigeria these two Missionaries are having a hard time feeding their families. Really?

From Michelle: I admit I had no idea until it was pointed out to me. I also admit that I have not done my part in supporting our Missionaries. I changed that Sunday.

Pray without Ceasing

For our Church and our search for the right Preacher.

The youth of our Country. They are searching for something. Hope they find the right something.

Donald got his test results back Thursday and it was good, the tumor is still shrinking. Thanks for the prayers. Our God is awesome!

Brother Maggart has a family member battling cancer while also caring for an adult son.

Remember Brett and his Fiancé. That they will start attend church together.

Maryene's son Gary recently had surgery.

Joyce Callis has a niece going to chemotherapy. Remember Joyce's mother as well

Jean's daughter Susan's surgery went well. It was not as bad as the doctors thought it was.

Dillon has a friend who was called to preach. He preached his first service last Sunday Night. So glad the Lord is still calling Young Men to preach.

Cindy Clemmons asked that we not give up praying for friends and family members. God will save them in his time. Her sister, Diane, came to revival this year but did not get saved. She called Cindy last week and told her she got saved!
