Sunday School	10:00 am
Church Service	11:00 am

Elder Devin Shoulders preached last Sunday about sanctification. He talked about the meaning of conforming. When we are saved that is just the beginning. The Christ like life we should be living starts when we are saved but we should continue to be more like Christ every day we are here. We deserved the punishment but Jesus took the punishment for us.

**Brother Mark Copas will be preaching today.**

# *God with Us Ladies Fellowship*

## **August Meeting**

I just have to tell you all about our God with Us Fellowship last night. It was great!! I started with a small gift for all the ladies. A pen, and a special folder to write in. I encouraged them to study the bible and fill it with all their notes. The wonderful thing is then Sister Ruth Green spoke about studying the bible!!! God is amazing. No, we didn't talk about it first but God knew about it before Ruth and I did. Ruth did a wonderful job talking about knowledge and how important it is to know the bible. I agreed with everything she had to say. One of the books of the bible she discussed was Psalms 119 and how it was the longest book of the bible. And that almost all the verses are about God's word. I plan to study that bible much closer! I wish more women could have heard it!! Then we got an added bonus my sister Dianne told about her salvation experience. That was truly a blessing from the Lord. Then we got like a cherry on top of the Sundae when Heather Dillard sung us a song. Thank you Lord for being with us and honoring us with your sweet Holy Spirit! Love all you sweet ladies and thank you for attending the Fellowship. I truly believe that the Lord wants his people to unite together, to learn from and love each other.

## **September Meeting**

By the way, the September meeting will be on Tuesday the 17<sup>th</sup> at 6:30pm Sister Jill Carver will be our speaker, don't miss it!! Also, to you young moms, Shannon has agreed to be our "sitter" for the night. I am going to try to set up a little "nursery" downstairs so please, please don't let the little ones keep you from coming!!

The devil is going to try to rob you of a blessing don't let him!
