**Brother Devin Shoulders** will be preaching today

**Brother Dillon preached last Sunday** from Luke 23-26. If we put Jesus first and we just follow HIM, others will then follow us. He preached about being an example and being the light for Jesus. Jesus considered himself a Servant. So how could we be anything higher? Jesus asked for forgiveness for those who killed him because they know not what they do. How many of us have still not forgiven someone for something? Something to think about.

**On Sunday, September 22<sup>nd</sup>**, we will welcome our new Pastor, **Elder Benny Maggart**. He said after a lot of praying and shedding of tears he feels that Faith Church is where he needs to be. Let's all pray for this new beginning. He said he desires our prayers and is looking forward to working with us in all our endeavors.

## Romance?

Karl and Molly were lying in bed one night. Carl was falling asleep but Molly wanted to talk. She said, "You used to hold my hand when we were courting." Wearily Karl reached across, held her hand for a second, and rolled over to try to fall asleep. A few moments later she said, "Then you used to kiss me." Mildly irritated, he leaned across, gave her a peck on the cheek and settled back down to sleep. Thirty seconds later she said, "Then you used to bite my neck." Angrily, he threw back the bed clothes and got out of bed. "Where are you going?" she asked. "To the bathroom to get my teeth," he replied.

## Hard of Hearing

An old man decided his wife was getting hard of hearing so he called her doctor to make an appointment to have her hearing checked. The doctor said he could see her in two weeks, and meanwhile there's a simple, test the husband could do to give the doctor some idea of the dimensions of the problem. "Here's what you do. Start about 40 feet away from her, and speak in a normal tone and see if she hears you. If not, go to 30 feet, then 20 feet, and so on until you get a response." So that evening she's in the kitchen cooking dinner, and he's in the living room, and he says to himself, "I'm about 40 feet away, let's see what happens." "Honey, what's for supper?" No response. So he moves to the other end of the room, about 30 feet away. "Honey, what's for supper?" No response. So he moves into the dining room, about 20 feet away. "Honey, what's for supper?" No response. On to the kitchen door, only 10 feet away. "Honey, what's for supper?". No response. So he walks right up behind her. "Honey, what's for supper?" "For the fifth time, CHICKEN!"
