Brother Devin Shoulders preached last Sunday about hypocrisy. Webster's dictionary defines it as pretending to be what one is not or to feel what one does not feel.

Romans 2:3 and thinkest thou this, O man, that judgest them which do such things, and doest the same. That thou shalt escape the judgement of God?

Matthew 7: 1-5 Judge not that ye be not judged. For with what judgement ye judge, ye shall be judged and with what measure ye mete, it shall be measured to you again. And why beholdest thou the mote that is in thy brothers eye, but considerest not the beam that is in thine own eye? Or how wilt yhou say to thy brother, let me pull out of thine eye; and, behold, a beam is in thine own eye, Thou hypocrite, first cast out the beam out of thine own eye and then shalt thou see clearly to cast out the mote out of thy brother's eye.

God with Us Ladies Fellowship

We had a wonderful turn out Tuesday Night. We had 23 Ladies and 7 Churches represented. Sister Jill Carver spoke on prayer. She has a lot of knowledge and did a wonderful job! Thank you to all the ladies that attended and brought food. Your support means more to me then words can say. Lord willing I will be speaking next month unless someone else steps up or the Lord tells me otherwise. Please, please be in prayer as I try to determine what the Lord would like for me to say.

*What a Friend we have in Jesus,
all our sin's and grief's to bear!
What a privilege to carry
everything to God in prayer!*

Our Members that are not attending.

The lost we know about. The one's we don't know about, but they know.

For our Fall Revival that someone will hear the words and made the decision that will change their life forever.

Prayer is not a mysterious practice reserved only for clergy and the religiously devout. Prayer is simply communicating with GOD. Listening and talking to him. Anywhere, anytime, freely, spontaneously, and in our own words.

The Woman and the Fork

There was a young woman who had been diagnosed with a terminal illness and had been given three months to live. So as she was getting her things in order, she contacted her Pastor and had him come to her house to discuss certain aspects of her final wishes. She told him which songs she wanted sung at the service, what scriptures she would like read, and what outfit she wanted to be buried in. Everything was in order and the Pastor was preparing to leave when the young woman suddenly remembered something very important to her. There's one more thing, she said excitedly. What's that, the Pastor replied? This is very important, the young woman continued. I want to be buried with a fork in my Right hand. The Pastor stood looking at the young woman, not knowing quite what to say. That surprises you, doesn't it? the young woman asked. Well, to be honest, I'm puzzled by the request, said the Pastor. The young woman explained. My grandmother once told me this story, and from that time on I have always tried to pass along its message to those I love and those who are in need of encouragement. In all my years of attending socials and dinners, I always remember that when the dishes of the main course were being cleared, someone would inevitably lean over and say, Keep your fork. It was my favorite part because I knew that something better was coming!!
