**Brother Maggart preached last Sunday from Ezekiel 3: 17-21.**

We are watchman for the Church, for the lost and for the saved to do what is right. Somebody has to tell the lost about the bible and hear the truth and believe. They have to believe and be lost and seek salvation. If you have never heard the truth how can you seek salvation?

We will have to answer for the things we have not done one day.

*Elder Benny Maggart and Sister Linda Maggart joined us last Sunday. Until we get a new Directory (I hope someone is working on that) here is their information.*

## *Christmas Program*

I would like to schedule a Christmas program meeting for Sunday October 5th following our morning church service. Lisa and I have some ideas about this year's program that we would like to discuss to see if we can make it happen. We are not planning on doing a white glove skit this year. We don't think there will be many practices but we do need to discuss and plan. Anyone who wants to be a part of the program, please plan to attend this meeting

Cindy

## Why is it?

If you change traffic lanes or lines at the store, the one you were in will start to move faster than the one you are in now?

When you dial a wrong number, you never get a busy signal?

When you try to prove to someone that a machine won't work, it will?

At an "All-day meetin' and dinner-on-the-ground," a church member ate too much and became deathly ill. He went inside the church building and laid down on one of the pews. As the other members gathered around him, he said, "Brethren, I think I'm going to die." "Brother, would you be afraid to die?" He replied, "No, but I would be awfully ashamed."
