If it's the Lord's will, I will be the speaker this Wednesday. I do not have a subject yet but have been praying daily. I know the Lord will give me something (I hope). We are going to be taking donation for our college kids and military men/women. I would like to ask each of you to bring one thing for our boxes. In addition, if you have someone you would like to receive one, please e-mail me their name and address. **WE NEED SPEAKERS!** I ask you to please search your heart. If you know someone that might have a special story or are a great teacher please share that with me. Or maybe it's you!! Maybe the Lord has been talking to you about speaking. I know it is a little scary but the Lord will be there helping you! Please follow your hearts. Cindy

Pray without Ceasing

Brenda's mom stays in bed most of the time. She told Brenda's Brother that she did not think it would be long now.

Ian has a co-worker whose 15 year old son had severe complications from the flu and was being taken off life support today. Remember this family.

Jimmy's Mom had surgery recently. We everything turned out o.k.

Brother Armour mentioned that his Mom had been having problems lately. Remember her.

A friend that Virginia has asked for prayer had to be moved to a nursing home and placed on a feeding tube. Pray that the Lord will help Virginia as she talks to them about being saved.

Cindy asked for prayer for a lady that slept in their stores parking lot one night. She had a chance to talk to her that morning. Pray that she has the right words for anyone that comes in the store.

Cindy asked that we continue to pray for Shannon and Dodger that will get back in the church.

Brother Quinn has had more tests and exams and they everything is o.k. He is feeling better but not well.

Brother Don has a Doctor's appointment on the 21st. Pray that everything goes as expected.

Irene will have a knee replacement in April. Remember her.

Remember Joyce Parker's Mother. She suffers from Alzheimer's, keep her in our prayers.

What is one of the silliest things you did as a child?

One day, Dalton came running into the kitchen crying and I came running right behind him saying “ I said I was sorry – I said I was sorry, why is he crying?” Momma asked what happened and Dalton said that I hit him over the head with a plate. “But I said I was sorry” but Momma took the plate and hit me over the head and said Oh, I’m sorry. I said I was sorry, why are you still crying?

Next week's meet a member

When God dips His pen of love in my heart
And He writes my soul a message He wants me to know
His spirit all divine fills a sinful soul of mine
When God dips His love in my heart

Well I said I wouldn't tell it to a livin' soul
How He brought salvation and He made me whole
But I found I couldn't hide such a love as Jesus did impart
Well He made me laugh and He made me cry, set my sinful soul on fire
When God dips His love in my heart

Well sometimes though the way is dreary, dark and cold
And some unburdened sorrow keeps me from the goal
I go to God in prayer, I can always find Him there
To whisper sweet peace to my soul

Well I said I wouldn't tell it to a livin' soul
How He brought salvation and He made me whole
But I found I couldn't hide such a love as Jesus did impart
Well He made me laugh and He made me cry, set my sinful soul on fire
When God dips His love in my heart

He walked up every step of Calvary's rugged way
And gave His life completely to bring a better day
My life was steeped in sin but in love He took me in
His blood washed away every stain

I said I wouldn't tell it to a livin' soul
How He brought salvation and He made me whole
But I found I couldn't hide such a love as Jesus did impart
He made me laugh and He made me cry, set my sinful soul on fire
When God dips His love in my heart
