## *Announcements*

Last Sunday, Elder Paul Owasu from Ghana Africa preached the 11:00 service. He shared some history about himself and where he is from, and how he grew up. He has 6 kids, but has 16 kids living with him right now! He said when he was growing up he was baptized, which is the way they said you could get to heaven. He knew he was still missing something. He kept praying until he finally felt, what he knew he had been missing.

Sunday Night Services have been cancelled until further notice.

The taping of the Old Time Gospel Hour has been postponed.

## APRIL EVENTS

April 16<sup>th</sup> 6:30pm *God with Us -Women's fellowship*  
Sister Annette Brown is our speaker. I know the Lord has something great for her to speak on because she had that look. We have all seen it and been there, the one we get when the Lord is really working on us. When that sweet spirit lets us know he needs us to do something. She came up to me and asked if I had anyone to speak in April. I am sure that she was hoping I did but I didn't! I was so happy. She told me the Lord wanted her to speak and you know how powerful he is!!! Can't wait. Annette has been so faithful to this group of ladies. PLEASE, PLEASE come out and show her your love and support!

## Pray without Ceasing

Brother Quinn has been in Centennial Hospital for the past week. On Friday, they removed from stones from his bile duct. Hopefully this is the cause of his problems and will be feeling better soon.

Brother Don is continuing with his treatment. He was at Church Sunday and I must say he was looking good.

Remember the family of Jean's neighbor. Their daughter was recently diagnosed with Leukemia.

Brenda is such a strong woman and she has great family support. We need to remember her when we pray. It can't be easy going through this with your Mother.

Both Joyce and Terry Parker have asked for prayer for Joyce's Mother, Terry Parker's Grandmother, who also has Alzheimers. Remember her and their family as they go through this with her.

Irene met with her cardiologist on Friday. He believes that her Atrial Fibrillation can be controlled with medicine. They are doing a scan next week to verify that there is no blockage. Her knee replacement has been postponed.

**Addyson Clark Update.** She got her cast off. Earlier this week, her Mother posted "Taking our sweet girl for an unexpected clinic visit today. Headache, nosebleeds, and left sided weakness. Please pray that everything will check out ok. - right now they don't know what caused this.

# After the Winter

## God sends the Spring

Springtime is a season  
Of Hope and Joy and Cheer,  
There's beauty all around us  
To see and touch and hear  
So, no matter how downhearted  
And discouraged we may be,  
New Hope is born when we behold  
Leaves budding on a tree  
Or when we see a timid flower  
Push through the frozen sod  
And open wide in glad surprise  
Its pedaled eyes to God  
For this is just God saying  
"Lift up your eyes to ME  
And the bleakness of your spirit  
Like the budding springtime tree  
Will lose its wintry darkness  
And your heavy heart will sing"  
For God never sends the Winter  
without the Joy of Spring.

Helen Steiner Rice – Heart Gifts

April showers, bring May flowers  
You can't have the bloom, without the boom.

A man was driving down the road. He passed a traffic camera and saw it flash. Astounded that he had been caught speeding when he was doing the speed limit, he turned around and, going even slower, he passed the camera. Again, he saw it flash. He couldn't believe it! So he turned and, going a snail's pace, he passed the camera. AGAIN, he saw the camera flash. He guessed it must have a fault, and home he went. Four weeks later he received 3 traffic fines in the mail, all for not wearing a seatbelt.

When asked for her occupation, a woman charged with a traffic violation said she was a schoolteacher. The judge rose from the bench.

Madam, I have waited years for a schoolteacher to appear before this court", he smiled with delight. "Now sit down at that table and write 'I will not pass through a red light' five hundred times."

Oh, they tell me of a home far beyond the skies  
Oh, they tell me of a home far away  
Oh, they tell me of a home where no storm clouds rise  
Oh, they tell me of an unclouded day

Oh, the land of cloudless day  
Oh, the land of an unclouded day  
Oh, they tell me of a home where no storm clouds rise  
Oh, they tell me of an unclouded day

Oh, they tell me of a home where my friends have gone  
Oh, they tell me of that land far away  
Where the tree of life in eternal bloom  
Sheds its fragrance through the unclouded day

Oh, the land of cloudless day  
Oh, the land of an unclouded day  
Oh, they tell me of a home where no storm clouds rise  
Oh, they tell me of an unclouded day

Oh, they tell me of a King in His beauty there  
And they tell me that mine eyes shall behold  
Where He sits on the throne that is whiter than snow  
In the city that is made of gold

Oh, the land of cloudless day  
Oh, the land of an unclouded day  
Oh, they tell me of a home where no storm clouds rise  
Oh, they tell me of an unclouded day

Oh, they tell me that He smiles on His children there  
And His smile drives their sorrows all away  
And they tell me that no tears ever come again  
In that lovely land of unclouded day

Oh, the land of cloudless day  
Oh, the land of an unclouded day  
Oh, they tell me of a home where no storm clouds rise  
Oh, they tell me of an unclouded day
