Pray without Ceasing

Jean asked prayer for her neighbor's daughter who was recently diagnosed with Leukemia.

Joyce Callis' asked for prayer for a man that had flipped over in his wheelchair while they were coming to church last Sunday. The ambulance was called.

Brother Quinn is again, not feeling well. Tests & Results, More tests & more results.

Brother Don was weak after his first treatment, but since Sunday he has been feeling pretty good. He went to the doctor on Friday and when he gets the o.k. he will start the second phase! GO DON!

Continue to remember Brenda and her Mother as they continue to fight her illness together.

Irene had some tests done for breathing problems. The tests showed that she has Atrial fibrillation. She will see a cardiologist next week. They will delay her knee replacement until they get this under control.

Joyce Callis' cousin, Bridget asked tht we please pray for her grandmother Lucy Bennett. She's having some health issues right now and it's hard for her to get around.

Dalton's best friend Thomas was diagnosed with Crohns Disease this week. They are hoping the medicine will work so he does not have to have surgery.

*Never put a period where
GOD has put a comma!*

It depends on whose hands it's in

A basketball in my hands is worth about \$19. A basketball in Michael Jordan's hands is worth about \$33 million.

A baseball in my hands is worth about \$6. A baseball in Roger Clemens' hands is worth \$475 million.

A tennis racket is useless in my hands.

A tennis racket in Andre Agassi's hands is worth millions.

A rod in my hands will keep away an angry dog.

A rod in Moses' hands will part the mighty sea.

A slingshot in my hands is a kid's toy.

A slingshot in David's hand is a mighty weapon.

Two fish and 5 loaves of bread in my hands is a couple of fish sandwiches.

Two fish and 5 loaves of bread in Jesus' hands will feed thousands.

Nails in my hands might produce a birdhouse.

Nails in Jesus Christ's hands will produce salvation for the entire world.

So put your concerns, your worries, your fears, your hopes, your dreams, your families and your relationships in God's hands because...

It depends on whose hands it's in.

Church Visitors

It is always nice to have visitors come to our church. Easter Sunday we were happy to see Shannon Clemons and her friend Rich. Lisa, Brandon, and Cole Fortson, and Sheril Bagwell. I know the families were glad to see their loved ones at church.

Ed Coon, Linda Burgess and Bobby Jenkins you know we love ya'll and are always glad to see you!!!!

'Marriage is a relationship in which one person is always right, and the other is usually the husband.'

For the Women

Seeing that his friend was married for so long, this angry guy asked him what his secret was. "Well, my friend, it is very simple! In the first fifteen days of each month, I let my wife do everything she wants... "And the other fifteen days?" "I do everything she wants!"

When our lawn mower broke and wouldn't run, my wife kept hinting to me that I should get it fixed. Somehow I always had something else to take care of first: the truck, the car, email, fishing, always something more important to me. Finally she thought of a clever way to make her point. When I arrived home one day, I found her seated in the tall grass, busily snipping away with a tiny pair of sewing scissors. I watched silently for a short time and then went into the house. I was gone only a few minutes. When I came out again I handed her a toothbrush. 'When you finish cutting the grass,' I said, 'you might as well sweep the driveway.' The doctors say I will walk again, but I will always have a limp.

For the Men

Two friends were talking about their anniversaries. One said, "When we completed 25 years of marriage I took my wife to Japan." Really? That's great! And what are you planning to do when you reach 50 years of marriage?" "I will probably go back and look for her."

Her husband was in the hospital, as she sat by him, he whispered, eyes full of tears, "You know what? You have been with me all through the bad times. When I got fired, you were there to support me. When my business failed, you were there. When I got shot, you were by my side. When we lost the house, you stayed right here. When my health started failing, you were still by my side. You know what?" "What dear?" she gently asked, smiling as her heart began to fill with warmth.

"I'm beginning to think you're bad luck."

Amazing grace! How sweet the sound
That saved a wretch like me!
I once was lost, but now am found;
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed!

Thro' many dangers, toils and snares,
I have already come;
'Tis grace hath brought me safe thus far,
And grace will lead me home.

When we've been there ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we'd first begun.
