Remember the Clemons family as they go through the loss of Virginia.

Many of our members have been out sick. It was great to see so many able to join us at church last Sunday!

Gary Callis is still fighting complications from Crohn's. He has been fighting this for over 4 weeks. Pray that he will get some relief.

Ruth's daughter Yvonne and her Husband Jim. They are not doing well. Hospice has been called in for Jim. Please remember this family in your prayers.

Continue to Pray for Linda's sister-in-law. The reports are not good. Remember her Brother as he continues to care for his family during this difficult time.

Pray that everyone traveling during the holidays will have a safe trip and return home safely.

Remember Joyce and Brenda as they continue to care for their Mothers. That they have the health and patience to do what needs to be done. I know they have great support behind them.

Remember those that are lost. That they will seek salvation before it is too late.

Pastor's Comments

It was sad news Friday to learn of the passing of Sister Virginia Clemons. She has been a pillar of Faith Church and will be greatly missed. The Lord blessed both her and her family by allowing them time together for Christmas. Her mind was sharp and she was able to enjoy the family fellowship. Revelation 14:13 states, "...Blessed are the dead which die in the Lord...saith the Spirit, that they may rest from their labours;....". Her time had come and angels bore her soul to her heavenly home. Glory to God!

Knowing her love for the church, Sister Clemon's family took in consideration the special service today to set her funeral on Monday. Let us use this service today to rejoice in the Lord and honor the life of this dear saint taken from our midst.

Singing must be important to God. He gave us a whole book of the Bible that contains 150 songs (Psalms) and another book call a song (Song of Solomon). Jesus sang with His church the night before His crucifixion. Singing soothes hurts, brings joy, and conveys messages of hope and reassurance. Let us come together and listen to the music and hear the words of the Holy One.

As the year comes to a close, we tend to survey that space of time and begin to look forward with expectation of what may be and what we intend to do. I have much for which to be thankful One of the greatest blessings of the year has been being placed here as pastor of Faith Church. With much anticipation, I look forward to the blessings we can share together serving God, our Farther, and our risen Saviour, Jesus, through the Holy Spirit. My goals are to see an increase in attendance, souls being saved, and members added to the church. Let us pray for God's help in bringing about these things which He already desires for us.

If we keep the Lord first in our life and always on our mind we will all have a Happy New Year!
