## *Remember in Prayer*

Just to let you know we heard from the doctor this afternoon. It is Melanoma in the upper lobe of his right lung. He has to see his Neurologist, have a MRI of the brain, and a Pet scan before they can make a choice in treatment, want to see if it is only in the lung or if it is in different places. So it will be after the 9th of January before we hear again. He is making great progress in therapy, talk to the doctor tomorrow to see when he thinks he can come home. Have had him out a couple of days this week and he did great. Love, Jean

Tracey had a friend ask her to have the church pray for a friend's mother. Why ask Tracey? God has his own way of working things out. Maybe one day we will see them here.

Joyce Callis' nephew is not doing well. They will be running some tests, remember him.

Pray for those who are lost. For those who are unsure, that someone, or something has an effect on them.

*There is always, always something  
to be thankful for.*

Virginia knows that Clyde is in heaven and that he is very proud of Dillon. Clyde was never baptized and she is thankful that being saved is what gets you into heaven.

Cindy wanted to thank everyone for the help with the Christmas program.

## *New Year's Resolutions*

I will no longer waste my time reliving the past, instead I will spend it worrying about the future.

I will read the manual... just as soon as I can find it.

I won't worry about doing things the right way or the wrong way. This year, I am gonna do things my way.

Dear Lord,

So far this year I've done well. I haven't gossiped, I haven't lost my temper, I haven't been greedy, grumpy, nasty, selfish, or overindulgent. I'm very thankful for that.

But in a few minutes, Lord, I'm going to get out of bed, and from then on I'm probably going to need a lot more help.

Amen

## *Another Year Is Dawning*

Another year is dawning,  
Dear Master, let it be,  
In working, or in waiting,  
Another year with Thee.

Another year of mercies,  
Of faithfulness and grace;  
Another year of gladness  
In the shining of Thy face.

Another year of progress,  
Another year of praise,  
Another year of proving  
Thy presence all the days.

Another year of service,  
Of witness of Thy love,  
Another year of training  
For holier work above.

Another year is dawning,  
Dear Master, let it be  
On earth, or else in heaven  
Another year for Thee.

## How Great Thou Art

Oh Lord my God When I in awesome wonder Consider all the worlds  
Thy hands have made I see the stars I hear the rolling thunder  
Thy power throughout The universe displayed

Then sings my soul	Then sings my soul
My Savior, God, to Thee	My Savior, God, to Thee
How great thou art	How great thou art
How great Thou art	How great Thou art

When through the woods And forest glades I wander  
I hear the birds Sing sweetly in the trees;  
When I look down From lofty mountain grandeur  
And hear the brook And feel the gentle breeze;

Then sings my soul	Then sings my soul
My Savior, God, to Thee	My Savior, God, to Thee
How great thou art	How great Thou art
How great thou art	How great Thou art

I think of God, His son not sparing, Sent Him to die, I scarce can take  
it in; That on the cross, my burden gladly bearing He bled and died  
to take away my sin

Then sings my soul	Then sings my soul
My Savior, God, to Thee	My Savior, God, to Thee
How great thou art	How great Thou art
How great thou art	How great thou art

When Christ shall come With shout of acclamation  
And take me home What joy shall fill my heart  
Then I shall bow With humble adoration  
And then proclaim My God How great Thou art

Then sings my soul	Then sings my soul
My Savior, God, to Thee	My Savior, God, to Thee
How great Thou art	How great Thou art
How great Thou art	How great Thou art
How great Thou art	How great Thou art...
