God with Us *Women's Fellowship*

Tuesday night, the God With Us Ladies Fellowship met at the Church. We had postponed it last week due to the weather. We were all pleasantly surprised to have a good turnout of about 12 ladies.

Sister Jean Dyer was our speaker. She spoke about why, with the Lord's help, we shouldn't worry as much as we do. Some of the verses that she used as her reference were:

Psalms 91:1-2

John 14:77

Psalms 92:1

Isaiah 55:8-9

Psalms 34:19

1 Peter 5:7

Psalms 4:8

Proverbs 3:24

Maybe these verses can inspire you to not worry so much. To give it all to the Lord and know that he will take care of all things in his time and will.

We took up an offering for Sister Amanda Clark (Addyson's Mother). I didn't get a final count, but I know it was more than \$130. Sister Tracy is going to put together a basket for Amanda with this money. If you were not able to make a donation and would like to, please see Sister Tracey.

February's Speaker will be Sister Rhonda Oliver (Wife of Bro. Ricky Oliver, pastor at Grace MB Church Hendersonville). She will be speaking on Marriage.

Please be in prayer for her and our fellowship. Please let me know if the Lord lays something on your heart that you feel you should speak about at our fellowship.

As always, if you are not attending our fellowship you are missing a great blessing.

Groundhog Day February 2nd

Fun Facts about Groundhogs

The average groundhog is 20 inches long and normally weighs from 12 to 15 pounds. Punxsutawney Phil weighs about 20 pounds and is 22 inches long. Groundhogs are covered with coarse grayish hairs (fur) tipped with brown or sometimes dull red. They have short ears, a short tail, short legs, and are surprisingly quick. Their jaws are exceptionally strong.

A groundhog's diet consists of lots of greens, fruits, and vegetables and very little water. Most of their liquids come from dewy leaves.

A groundhog can whistle when it is alarmed. Groundhogs also whistle in the spring when they begin courting.

Insects do not bother groundhogs and germs pretty much leave them alone. They are resistant to the plagues that periodically wipe out large numbers of wild animals. One reason for this is their cleanliness.

Groundhogs are one of the few animals that really hibernate. Hibernation is not just a deep sleep. It is actually a deep coma, where the body temperature drops to a few degrees above freezing, the heart barely beats, the blood scarcely flows, and breathing nearly stops.

Young Groundhogs are usually born in mid-April or May, and by July they are able to go out on their own. The size of the litter is 4 to 9. A baby groundhog is called a kit or a cub.

A groundhog's life span is normally 6 to 8 years. Phil receives a drink of a magical punch every summer during the Annual Groundhog Picnic, which gives him 7 more years of life.

Everything becomes funnier when you're not allowed to laugh!

A Pastor goes to the dentist for a set of false teeth. The first Sunday, he talks for only eight minutes. The second Sunday, he talks for only ten minutes. The following Sunday, he talks for 2 hours and 48 minutes. The congregation had to mob him to get him down from the pulpit and they asked him what happened. The Pastor explains the first Sunday his gums hurt so bad he couldn't talk for more than 8 minutes. The second Sunday his gums hurt too much he could only talk for more than 10 minutes. But, the third Sunday, he put in his wife's teeth by mistake and he couldn't shut up.

When my daughter, Kelli, said her bedtime prayers, she would bless every family member, every friend, and every animal (current and past). For several weeks, after we had finished the nightly prayer, Kelli would say, "And all girls."

This soon became part of her nightly routine, to include this closing. My curiosity got the best of me and I asked her, "Kelli, why do you always add the part about all girls?"

Her response, "Because everybody always finish their prayers by saying 'All Men'!"

A Sunday school teacher was telling her class the story of the Good Samaritan.

She asked the class, "If you saw a person lying on the roadside, all wounded and bleeding, what would you do?"

A thoughtful little girl broke the hushed silence, "I think I'd throw up."

A Sunday school teacher asked, "Johnny, do you think Noah did a lot of fishing when he was on the Ark?"

"No," replied Johnny. "How could he, with just two worms."

Train Up a Child

I write you this note, with a prayer on my lips;
Remember as life's road you trod.
After much prayer, after much heartache,
I've turned you over to god.

Now son, I'm like Hanna, I prayed for a boy,
I told God I'd raise you for Him.
So my prayers were answered and I've done my best;
Now I'm tired and my ways growing dim.

I know there's been times when you thought me too harsh,
But these words were sealed in my heart.
Train up a child in the way he should go,
When he's old he will never depart.

The Lord gave me health and I thank Him for that.
And my patience has been mighty strong.
So that caring for you was the joy of my life,
But my health now, it's just about gone.

Many's the day that I've watched you at play,
Midst the sun's rays and sweet summer flowers,
Wiped a tear from your eye, o'er a dead butterfly;
Then I'd hold you and rock you for hours.

But those days are gone now, I can't call them back,
I've no magic wand in my hand.
But the magic I hold in my hand is like gold,
From a babe to a handsome young man.

Now the world's at your fingertips, do what you must,
But remember these words as you trod.
I've brought you up in the way you should go
Now I've turned you over to God.

What is your favorite Ice Cream?

Butter pecan

What is one of the silliest things you did as a child?

I was about seven years old and I liked to ride our red mare and play like I was a cowboy, except she didn't want to go as fast as I wanted her to. I went under a cherry tree and I broke off a limb and hit her with it. When I did, she jumped out from under me and I came crashing to the ground. I didn't make a good choice but I learned a good lesson.

Next week's meet a member

There are some things I may not know;
There are some places I can't go,
But I'm sure of this one thing:
That God is real for I can feel Him deep within.

My God is real, real in my soul

My God is real for He has washed and made me whole.

His love for me is like pure gold.

My God is real for I can feel Him in my soul.

Some folks may doubt; some folks may scorn;
All can desert and leave me alone,
But as for me I'll take God's part,
For God is real and I can feel Him in my heart.

My God is real, real in my soul

My God is real for He has washed and made me whole.

His love for me is like pure gold.

My God is real for I can feel Him in my soul.

I cannot tell just how you felt
When Jesus took your sins away
But since that day, yes, since that hour,
God has been real for I can feel His holy power.

My God is real, real in my soul

My God is real for He has washed and made me whole.

His love for me is like pure gold.

My God is real for I can feel Him in my soul
