Pastor: Elder Benny Maggart

No service Sunday night 7/6/14

A Note from Michelle Sharpe -

I Skype with Momma and the Kids every Saturday Night and that is when I think about it.

I have started volunteering at the Center again. It is funny that everyone knows it is me when I open my mouth.

It was very nice to see that most everyone from last year was still there and doing well. My first Friday there, they had their first small Church service. There were about 4 people there and they reviewed a few Bible verses and sang a few songs. Most were the ones we sing. I have gotten my recliner but no cat. I decided to wait and see what happens. Also, if I come back for 2 months in the winter what would I do with the cat?

Love to everyone! Michelle

PASTOR'S COMMENTS

WATCH FOR SATAN'S TRICKS PRAY FOR GOD'S HELP

Matthew 26:41

"Watch and pray, that ye enter not into temptation:
the spirit indeed is willing, but the flesh is weak."

* * * * *

Following is a cute story that plays off a very familiar song:

There once was a handyman who had a dog named Mace. Mace was a great dog except he had one weird habit. He liked to eat grass - not just a little bit, but in quantities that would make a lawn mower blush. Nothing, it seemed, could cure him of it.

One day the handyman lost his favorite wrench in some tall grass. He looked all over but could not find it . Getting dark, he gave up till the morning.

When he awoke and went outside, he saw the dog had eaten all the grass in the area where he lost the wrench. There lay the wrench laying in plain site, glistening in the sun.

Going out to get the wrench, the handyman called the dog to him and said," A grazing Mace, how sweet the hound, that saved a wrench for me."

Food for Thought

Anyone who doesn't make mistakes can't be very busy.
