Prayer

Brenda asked prayer for Brett. Jennifer and Ian have talked with him about where he stands. Something happened to him in the 4th grade. Said his heart was pounding then he was fine. Pray that he will come to church so he, and his family will know where he stands.

Brother Rick Jones is very sick. He is having complications from his heart and diabetes.

Ms Kemp fell last Friday and bruised her hip.

Virgil and Barbara have a new grand baby. It is never too early to start praying for them.

Susan's tests came back. Good results. Some things they will continue to watch.

Maryene has two family members having health problems at this time.

Chad's father is in bad health. We need to keep him in our prayers.

Amy Swindle asked pray for her dad. On the 2nd, He was at the ER His blood pressure wash 245. They are doing a CT scan and running tests on his heart.

Sheila's nephew starts chemotherapy and radiation this week.

Cindy asked prayer for a friend who is dealing with cancer.

Remember Hope Missionary Baptist Church in Drasco Arkansas. They have been without a pastor for almost 8 years. The attendance on Sunday Mornings has dwindled to fewer than six.

Brother Junior Moore is recovering nicely from his leg amputation. The doctor would not let him to go the benefit concert but he was to talk to everyone there by phone. About 300 were in attendance and the raised close about $20,000 for Brother Moore.

Pastor Comments

Linda and I have attended Buffalo Springs Revival nightly this week. There have been wonderful spiritual services each night. Two we know of have made professions of salvation and one other has joined the church. A different preacher, all members of the church, has preached each night. There have been lots of singing, testimonies and shouting. The Holy Spirit has had a strong presence all week. This was not a planned effort meeting. Recently four have joined the church and one of them suggested the meeting last Sunday morning. The church acted and started that evening. Following the Lord is always the best path.

Brother Maggart

This was an earlier E-mail from
Brother Maggart at the start of their Revival

They had a wonderful service Sun. Mon. night Brother Eddie Atkins's, who preached at Faith Sun. night, daughter was saved. Another girl went to the altar for the first time. On Tue. night that girl got up and said she had awoken about 3:00 that morning and got saved. There are other lost attending and the crowds have grown each night.
